

## Market Watch Live

### **ASE Launches A New Service:**

Amman Stock Exchange (ASE) launches an advanced program that will enable the investors in securities to follow up their investments live day-to-day. This program comes in line with the ASE's belief in disclosure and transparency principles in Jordan capital market. As a materialization of ASE's interest in providing an efficient, fair market and out of its care to meet the investors' needs, it has started this program, which provides several services that entitle investors to take the right decisions.

### **Qualities of Market Watch Live:**

- 1- Shows live trading information for 15 companies at the same time, chosen by the user.
